Subject: CONFIDENTIAL: Talking Points

HQ is developing talking points for a potential announcement on Pavillion, planned on or about 6/20. Howard would like you to review those points when we get them. The plan is still that they-Bloomgren and OEAAE -will serve as POC for any inquiries, but we wanted your ground-truthing on the draft talking points. Howard is out next week so I will look for them and forward to you if I get them, however, I will be out 6/19-21, so wanted to let you know ahead of time to look for them as well. Cc:ing Martin in case he gets them directly and can share with you. Thanks!
